Flyer:

“A Report on AIDS Day Celebration 2018”

Name of Event: AIDS Day 2018

Date and Venue: December 1st, 2018, St. Wilfred's Institute of Pharmacy Panvel.

Duration: 3 hours

Type of Activity: Educational and Awareness Event

AIDS Day was organized at SWIP Panvel campus to raise awareness about HIV/AIDS and to educate students about prevention, treatment, and the social implications of the disease. The event was coordinated by the Cultural Committee under the guidance of Ms. PallaviPatil.

The event began with an introductory speech by the Principal, Dr. Uma Patil, who emphasized the importance of awareness and education in combating HIV/AIDS. Following the introduction, students from first to final year took turns to present various topics related to HIV/AIDS.

First-year students presented an overview of HIV/AIDS, including its history, causes, and global impact. They used informative slides and videos to engage the audience.

Second-year students focused on the transmission of HIV and the importance of prevention measures. Their presentation included interactive quizzes and real-life case studies to highlight the significance of safe practices.

Third-year students delved into the treatment and management of HIV/AIDS, discussing antiretroviral therapy and the latest advancements in medical research. They also shared stories of individuals living with HIV, illustrating the human aspect of the disease.

Final-year students led a discussion on the social and psychological aspects of living with HIV/AIDS. They addressed stigma, discrimination, and the role of community support in improving the quality of life for those affected by the disease.

The event concluded with an open forum where students and faculty members could ask questions and share their thoughts. The discussions were lively and informative, fostering a deeper understanding of the subject among all attendees.

The Cultural Head gave a vote of thanks, acknowledging the efforts of the participants and organizers. Refreshments were served to all attendees, and informational pamphlets on HIV/AIDS were distributed.

AIDS Day 2018 at St. Wilfred's Institute of Pharmacy was a resounding success, leaving a lasting impact on the students and reinforcing the importance of awareness and education in the fight against HIV/AIDS.

THANK YOU!!!

Flyer:

The flyer features a large red ribbon graphic on the left side. In the top right corner is the circular logo of St. Wilfred's Institute of Public Health, which includes an owl and the text 'ST. WILFRED'S INSTITUTE OF PUBLIC HEALTH'. The main title 'World Aids Day' is written in a large, bold, black font. Below the title, the date '1 December, 2022' is displayed in white text on a red rounded rectangular background. The time 'Time: 10:00 A.M. - 1:00 P.M.' and venue 'Venue: Seminar Hall' are listed in black text. The central text invites students to join an event to raise awareness about HIV/AIDS, stating 'All Students Are Welcome!'. At the bottom, a message reads 'Together, we can make a difference.' Below this text is an illustration of two people embracing; one is wearing a blue surgical cap and a blue face mask. Three red hearts are scattered around the illustration.
