NOTICE

We are excited to announce a Health Check-Up Camp at [Pharmacy College Name]. In collaboration with healthcare professionals and experts, we are organizing a comprehensive health assessment program aimed at promoting well-being and preventive healthcare practices among our students and faculty.

Date: 11th August 2018

Activity Name: One day seminar

Venue: Seminar Hall of St. Wilfred's institute of pharmacy

Time: 10:00am onwards

The Health Check-Up Camp will cover the following areas:

1. **Body Mass Index (BMI) Assessment:** Evaluate your BMI and receive personalized guidance on maintaining a healthy weight.
2. **Obesity Counseling:** Learn about the risks associated with obesity and receive practical tips on nutrition, exercise, and lifestyle modifications.
3. **Dental Check-Up:** Receive a thorough examination of your oral health, including cavity detection, gum health assessment, and personalized oral care recommendations.
4. **Eye Check-Up:** Get your eyes screened for refractive errors, visual acuity, and other ocular abnormalities. Early detection is key to maintaining good eye health.
5. **Blood Pressure Screening:** Assess your blood pressure levels and receive guidance on managing hypertension through lifestyle changes and medical intervention if necessary.

This camp aims to raise awareness about the importance of preventive healthcare and empower our community to take proactive steps towards a healthier lifestyle. Participation is voluntary, and all services are free of charge.

We encourage all students and faculty members to take advantage of this opportunity to prioritize their health and well-being. Your health is our priority!

The students are required to be present at the venue on time. For further query you may contact to faculty co-ordinator.

ABSTRACT OF THE SEMINAR:

Department of St. Wilfred's Institute of Pharmacy, Panvel. organized a Report on "Health Check-up Camp" by Dr. P N Khandelwal, MBBS MD Pharmacology, held on 11th August 2018, 10:00am onwards for all year of batches D. Pharm & B. Pharm students. It was delivered by Dr. P N Khandelwal.

Dr. Uma Patil, Principal, St. Wilfred's Institute of Pharmacy, Panvel. welcomed the students attending the seminar. The main objective of this seminar is to get students understand the importance of physical health maintenance.

Comprehensive Health Check-Up Camp: Assessing BMI, Obesity, Dental Health, Eye Health, and Blood Pressure. The prevalence of lifestyle-related diseases underscores the importance of proactive healthcare measures. In response, this abstract outlines the structure and outcomes of a comprehensive health check-up camp designed to evaluate Body Mass Index (BMI), obesity, dental health, eye health, and blood pressure within a diverse community.

The camp commenced with BMI assessments, employing standardized methods to calculate BMI and categorize individuals into underweight, normal weight, overweight, or obese categories. This initial assessment served as a baseline for subsequent interventions.

Obesity, a significant public health concern, was thoroughly addressed through personalized counseling sessions and educational workshops. Participants received guidance on dietary modifications, exercise regimens, and behavioral changes to manage weight effectively and mitigate associated health risks.

Dental check-ups were conducted by skilled professionals, focusing on oral hygiene, cavity detection, and gum health. Participants received tailored recommendations for oral care practices and were educated on the link between oral health and systemic conditions.

Eye examinations were performed to detect refractive errors, assess visual acuity, and screen for ocular abnormalities. Early detection of vision impairments facilitated prompt referrals for corrective measures and preventive interventions, ensuring optimal eye health among participants.

NOTICE

We are excited to announce a Health Check-Up Camp at [Pharmacy College Name]. In collaboration with healthcare professionals and experts, we are organizing a comprehensive health assessment program aimed at promoting well-being and preventive healthcare practices among our students and faculty.

Date: 11th August 2018

Activity Name: One day seminar

Venue: Seminar Hall of St. Wilfred's institute of pharmacy

Time: 10:00am onwards

The Health Check-Up Camp will cover the following areas:

1. **Body Mass Index (BMI) Assessment:** Evaluate your BMI and receive personalized guidance on maintaining a healthy weight.
2. **Obesity Counseling:** Learn about the risks associated with obesity and receive practical tips on nutrition, exercise, and lifestyle modifications.
3. **Dental Check-Up:** Receive a thorough examination of your oral health, including cavity detection, gum health assessment, and personalized oral care recommendations.
4. **Eye Check-Up:** Get your eyes screened for refractive errors, visual acuity, and other ocular abnormalities. Early detection is key to maintaining good eye health.
5. **Blood Pressure Screening:** Assess your blood pressure levels and receive guidance on managing hypertension through lifestyle changes and medical intervention if necessary.

This camp aims to raise awareness about the importance of preventive healthcare and empower our community to take proactive steps towards a healthier lifestyle. Participation is voluntary, and all services are free of charge.

We encourage all students and faculty members to take advantage of this opportunity to prioritize their health and well-being. Your health is our priority!

The students are required to be present at the venue on time. For further query you may contact to faculty co-ordinator.

ABSTRACT OF THE SEMINAR:

Department of St. Wilfred's Institute of Pharmacy, Panvel. organized an Report on "Health Check-up Camp" by Dr. P N Khandelwal, MBBS MD Pharmacology, held on 11th August 2018, 10:00am onwards for all year of batches D. Pharm & B. Pharm students. It was delivered by Dr. P N Khandelwal.

Dr. Uma Patil, Principal, St. Wilfred's Institute of Pharmacy, Panvel. welcomed the students attending the seminar. The main objective of this seminar is to get students understand the importance of physical health maintainance.

Comprehensive Health Check-Up Camp: Assessing BMI, Obesity, Dental Health, Eye Health, and Blood Pressure. The prevalence of lifestyle-related diseases underscores the importance of proactive healthcare measures. In response, this abstract outlines the structure and outcomes of a comprehensive health check-up camp designed to evaluate Body Mass Index (BMI), obesity, dental health, eye health, and blood pressure within a diverse community.

The camp commenced with BMI assessments, employing standardized methods to calculate BMI and categorize individuals into underweight, normal weight, overweight, or obese categories. This initial assessment served as a baseline for subsequent interventions.

Obesity, a significant public health concern, was thoroughly addressed through personalized counseling sessions and educational workshops. Participants received guidance on dietary modifications, exercise regimens, and behavioral changes to manage weight effectively and mitigate associated health risks.

Dental check-ups were conducted by skilled professionals, focusing on oral hygiene, cavity detection, and gum health. Participants received tailored recommendations for oral care practices and were educated on the link between oral health and systemic conditions.

Eye examinations were performed to detect refractive errors, assess visual acuity, and screen for ocular abnormalities. Early detection of vision impairments facilitated prompt referrals for corrective measures and preventive interventions, ensuring optimal eye health among participants.

PRINCIPAL
ST WILFRED'S INSTITUTE OF PHARMACY
OLD MUMBAI PUNE HIGHWAY, NEAR SHEDUNG TOLL PLAZA,
SHEDUNG, PANVEL - 410 206.

St. Wilfred's Institute of Pharmacy, Panvel.

Blood pressure screenings were integral to identifying individuals at risk of hypertension, a leading cause of cardiovascular morbidity and mortality. Hypertensive individuals received lifestyle guidance and medical referrals to manage blood pressure effectively and reduce associated health complications.

Overall, the health check-up camp served as a pivotal platform for preventive healthcare interventions, empowering participants to take proactive steps towards improving their health and well-being. By addressing multiple facets of health, including BMI, obesity, dental health, eye health, and blood pressure, the camp fostered a holistic approach to wellness within the community, with the potential for long-term health benefits and reduced disease burden.

NOTICE

We are excited to announce a Health Check-Up Camp at [Pharmacy College Name]. In collaboration with healthcare professionals and experts, we are organizing a comprehensive health assessment program aimed at promoting well-being and preventive healthcare practices among our students and faculty.

Date: 11th August 2018

Activity Name: One day seminar

Venue: Seminar Hall of St. Wilfred's institute of pharmacy

Time: 10:00am onwards

The Health Check-Up Camp will cover the following areas:

1. **Body Mass Index (BMI) Assessment:** Evaluate your BMI and receive personalized guidance on maintaining a healthy weight.
2. **Obesity Counseling:** Learn about the risks associated with obesity and receive practical tips on nutrition, exercise, and lifestyle modifications.
3. **Dental Check-Up:** Receive a thorough examination of your oral health, including cavity detection, gum health assessment, and personalized oral care recommendations.
4. **Eye Check-Up:** Get your eyes screened for refractive errors, visual acuity, and other ocular abnormalities. Early detection is key to maintaining good eye health.
5. **Blood Pressure Screening:** Assess your blood pressure levels and receive guidance on managing hypertension through lifestyle changes and medical intervention if necessary.

This camp aims to raise awareness about the importance of preventive healthcare and empower our community to take proactive steps towards a healthier lifestyle. Participation is voluntary, and all services are free of charge.

We encourage all students and faculty members to take advantage of this opportunity to prioritize their health and well-being. Your health is our priority!

The students are required to be present at the venue on time. For further query you may contact to faculty co-ordinator.

NOTICE

We are excited to announce a Health Check-Up Camp at [Pharmacy College Name]. In collaboration with healthcare professionals and experts, we are organizing a comprehensive health assessment program aimed at promoting well-being and preventive healthcare practices among our students and faculty.

Date: 11th August 2018

Activity Name: One day seminar

Venue: Seminar Hall of St. Wilfred's institute of pharmacy

Time: 10:00am onwards

The Health Check-Up Camp will cover the following areas:

1. **Body Mass Index (BMI) Assessment:** Evaluate your BMI and receive personalized guidance on maintaining a healthy weight.
2. **Obesity Counseling:** Learn about the risks associated with obesity and receive practical tips on nutrition, exercise, and lifestyle modifications.
3. **Dental Check-Up:** Receive a thorough examination of your oral health, including cavity detection, gum health assessment, and personalized oral care recommendations.
4. **Eye Check-Up:** Get your eyes screened for refractive errors, visual acuity, and other ocular abnormalities. Early detection is key to maintaining good eye health.
5. **Blood Pressure Screening:** Assess your blood pressure levels and receive guidance on managing hypertension through lifestyle changes and medical intervention if necessary.

This camp aims to raise awareness about the importance of preventive healthcare and empower our community to take proactive steps towards a healthier lifestyle. Participation is voluntary, and all services are free of charge.

We encourage all students and faculty members to take advantage of this opportunity to prioritize their health and well-being. Your health is our priority!

The students are required to be present at the venue on time. For further query you may contact to faculty co-ordinator.

ABSTRACT OF THE SEMINAR:

Department of St. Wilfred's Institute of Pharmacy, Panvel. organized an Report on "Health Check-up Camp" by Dr. P N Khandelwal, MBBS MD Pharmacology, held on 11th August 2018, 10:00am onwards for all year of batches D. Pharm & B. Pharm students. It was delivered by Dr. P N Khandelwal.

Dr. Uma Patil, Principal, St. Wilfred's Institute of Pharmacy, Panvel. welcomed the students attending the seminar. The main objective of this seminar is to get students understand the importance of physical health maintainance.

Comprehensive Health Check-Up Camp: Assessing BMI, Obesity, Dental Health, Eye Health, and Blood Pressure. The prevalence of lifestyle-related diseases underscores the importance of proactive healthcare measures. In response, this abstract outlines the structure and outcomes of a comprehensive health check-up camp designed to evaluate Body Mass Index (BMI), obesity, dental health, eye health, and blood pressure within a diverse community.

The camp commenced with BMI assessments, employing standardized methods to calculate BMI and categorize individuals into underweight, normal weight, overweight, or obese categories. This initial assessment served as a baseline for subsequent interventions.

Obesity, a significant public health concern, was thoroughly addressed through personalized counseling sessions and educational workshops. Participants received guidance on dietary modifications, exercise regimens, and behavioral changes to manage weight effectively and mitigate associated health risks.

Dental check-ups were conducted by skilled professionals, focusing on oral hygiene, cavity detection, and gum health. Participants received tailored recommendations for oral care practices and were educated on the link between oral health and systemic conditions.

Eye examinations were performed to detect refractive errors, assess visual acuity, and screen for ocular abnormalities. Early detection of vision impairments facilitated prompt referrals for corrective measures and preventive interventions, ensuring optimal eye health among participants.

PRINCIPAL
ST WILFRED'S INSTITUTE OF PHARMACY
OLD MUMBAI PUNE HIGHWAY, NEAR SHEDUNG TOLL PLAZA,
SHEDUNG, PANVEL - 410 206.

St. Wilfred's Institute of Pharmacy, Panvel.

Blood pressure screenings were integral to identifying individuals at risk of hypertension, a leading cause of cardiovascular morbidity and mortality. Hypertensive individuals received lifestyle guidance and medical referrals to manage blood pressure effectively and reduce associated health complications.

Overall, the health check-up camp served as a pivotal platform for preventive healthcare interventions, empowering participants to take proactive steps towards improving their health and well-being. By addressing multiple facets of health, including BMI, obesity, dental health, eye health, and blood pressure, the camp fostered a holistic approach to wellness within the community, with the potential for long-term health benefits and reduced disease burden.

NOTICE

We are excited to announce a Health Check-Up Camp at [Pharmacy College Name]. In collaboration with healthcare professionals and experts, we are organizing a comprehensive health assessment program aimed at promoting well-being and preventive healthcare practices among our students and faculty.

Date: 11th August 2018

Activity Name: One day seminar

Venue: Seminar Hall of St. Wilfred's institute of pharmacy

Time: 10:00am onwards

The Health Check-Up Camp will cover the following areas:

1. **Body Mass Index (BMI) Assessment:** Evaluate your BMI and receive personalized guidance on maintaining a healthy weight.
2. **Obesity Counseling:** Learn about the risks associated with obesity and receive practical tips on nutrition, exercise, and lifestyle modifications.
3. **Dental Check-Up:** Receive a thorough examination of your oral health, including cavity detection, gum health assessment, and personalized oral care recommendations.
4. **Eye Check-Up:** Get your eyes screened for refractive errors, visual acuity, and other ocular abnormalities. Early detection is key to maintaining good eye health.
5. **Blood Pressure Screening:** Assess your blood pressure levels and receive guidance on managing hypertension through lifestyle changes and medical intervention if necessary.

This camp aims to raise awareness about the importance of preventive healthcare and empower our community to take proactive steps towards a healthier lifestyle. Participation is voluntary, and all services are free of charge.

We encourage all students and faculty members to take advantage of this opportunity to prioritize their health and well-being. Your health is our priority!

The students are required to be present at the venue on time. For further query you may contact to faculty co-ordinator.

ABSTRACT OF THE SEMINAR:

Department of St. Wilfred's Institute of Pharmacy, Panvel. organized an Report on "Health Check-up Camp" by Dr. P N Khandelwal, MBBS MD Pharmacology, held on 11th August 2018, 10:00am onwards for all year of batches D. Pharm & B. Pharm students. It was delivered by Dr. P N Khandelwal.

Dr. Uma Patil, Principal, St. Wilfred's Institute of Pharmacy, Panvel. welcomed the students attending the seminar. The main objective of this seminar is to get students understand the importance of physical health maintainance.

Comprehensive Health Check-Up Camp: Assessing BMI, Obesity, Dental Health, Eye Health, and Blood Pressure. The prevalence of lifestyle-related diseases underscores the importance of proactive healthcare measures. In response, this abstract outlines the structure and outcomes of a comprehensive health check-up camp designed to evaluate Body Mass Index (BMI), obesity, dental health, eye health, and blood pressure within a diverse community.

The camp commenced with BMI assessments, employing standardized methods to calculate BMI and categorize individuals into underweight, normal weight, overweight, or obese categories. This initial assessment served as a baseline for subsequent interventions.

Obesity, a significant public health concern, was thoroughly addressed through personalized counseling sessions and educational workshops. Participants received guidance on dietary modifications, exercise regimens, and behavioral changes to manage weight effectively and mitigate associated health risks.

Dental check-ups were conducted by skilled professionals, focusing on oral hygiene, cavity detection, and gum health. Participants received tailored recommendations for oral care practices and were educated on the link between oral health and systemic conditions.

Eye examinations were performed to detect refractive errors, assess visual acuity, and screen for ocular abnormalities. Early detection of vision impairments facilitated prompt referrals for corrective measures and preventive interventions, ensuring optimal eye health among participants.

SHEDUNG, PANVEL - 410 206.

St. Wilfred's Institute of Pharmacy, Panvel.

Blood pressure screenings were integral to identifying individuals at risk of hypertension, a leading cause of cardiovascular morbidity and mortality. Hypertensive individuals received lifestyle guidance and medical referrals to manage blood pressure effectively and reduce associated health complications.

Overall, the health check-up camp served as a pivotal platform for preventive healthcare interventions, empowering participants to take proactive steps towards improving their health and well-being. By addressing multiple facets of health, including BMI, obesity, dental health, eye health, and blood pressure, the camp fostered a holistic approach to wellness within the community, with the potential for long-term health benefits and reduced disease burden.
